Please note serving items and or groups subject to change

Starbuck Thursday Night on the Town is a weekly event held from 4:30-7 p.m. at the historic Starbuck Depot during the summer months. The event has been in existence for over 10 years and was started as a way to give community members affordable weekly meals, as well as help fundraise for various local groups.

Every Thursday, rain or shine, a different local organization or business hosts Thursday Night on the Town. The weekly hosts decide on food and beverages to serve during the event with free-will donations (meals are served while supplies last). Various Thursday Night on the Town events host a variety of entertainment as well, whether it be a musical offering or outdoor games.

Thursday Night on the Town events have a pleasant park-like setting with restrooms available. Compostable serving utensils and organic recycling containers are provided by Pope/Douglas Solid Waste.

A local Farmers Market along with other craft vendors also take part in the festivities. There is no charge for produce or craft vendors to display at the events. If you are interested in becoming a vendor, hosting a Night on the Town or have any questions, contact Blaine Pederson at 320-424-2253 or email starbuckdepotmuseum@gmail.com.

Thursday Night on the Town events offer the community a chance to gather at the Depot, enjoy some summer style food, and support thier town. This is a great way to get to know your neighbors and relax on Thursday evenings! (Erica Carlson – Pope County Tribune & Starbuck Times)
